What is Cluster Care:

"Cluster Care" is designed to assist adult day health/wellness center attendees who may need a little extra help in the morning with personal care needs (i.e. Dressing, grooming, and/or lite meal prep).

Cluster Care provides the following:

- Personal Care Aide (PCA) services for a cluster of people in a high density residential community,
- Coordination of transportation to and from Adult Day Health, and
- Linkage to additional services and supports.
