| M.5 | PREFERENCES FOR CERTIFIED BUSINESS ENTERPRISES | 58 |

SECTION M - EVALUATION FACTORS

M.1 EVALUATION FOR AWARD

The Contract shall be awarded to the responsive and responsible Offeror whose offer is most advantageous to the District, based upon the evaluation criteria specified below. Thus, while the points in the evaluation criteria indicate their relative importance, the total scores shall not necessarily be determinative of the award. Rather, the total scores shall guide the District in making an intelligent award decision based upon the evaluation criteria.

M.2 TECHNICAL RATING

M.2.1 The Technical Rating Scale is as follows:

| <u>Numeric Rating</u> | <u>Adjective</u> | <u>Description</u> |
|------------------------------|-------------------------|---|
| 1 | Poor | Marginally meets minimum requirements; major deficiencies which may be correctable |
| 2 | Minimally Acceptable | Marginally meets minimum requirements; minor deficiencies which may be correctable. |
| 3 | Acceptable | Meets requirements; no deficiencies. |
| 4 | Good | Meets requirements and exceeds some requirements; no deficiencies. |
| 5 | Excellent | Exceeds most, if not all requirements, no deficiencies. |

M.2.2 The technical rating is a weighting mechanism that shall be applied to the point value for each evaluation factor to determine the Offeror's score for each factor. The Offeror's total technical score shall be determined by adding the Offeror's score in each evaluation factor. For example, if an evaluation factor has a point value range of twenty (20) points, using the Technical Rating Scale above, if the District evaluates the Offeror's response as "Good", then the score for that evaluation factor is 4/5 of 20 or 16.

If sub-factors are applied, the Offeror's total technical score shall be determined by adding the Offeror's score for each sub-factor. For example, if an evaluation factor has a point value range of twenty (20) points, with two sub-factors of ten (10) points each, using the Technical Rating Scale above, if the District evaluates the Offeror's response as "Good" for the first sub-factor and "Poor" for the

second sub-factor, then the total score for that evaluation factor is 4/5 of 10 or 8 for the first sub-factor plus 1/5 of 10 or 2 for the second sub-factor, for a total of 10 for the entire factor.

M. 3 EVALUATION CRITERIA

Selection of Offerors for Contract awards shall be based on an evaluation of proposals against the following factors which shall be reviewed and scored according to the quality of the responses to required sections. Each proposal shall be scored on a 100-point scale.

M.3.1 TECHNICAL CRITERIA (90 Points Maximum)

- A. The Offeror shall demonstrate a well developed plan that details the proposed organizational structure, staffing patterns by service area, listing of qualified staff with competence in understanding of cultural concordance and interpreting mental health terminology in the identified areas of ASL, the listed languages for translation, as well as translating written documents from English into the request language as identified in this contract. **(20 Points)**
- B. The Offeror shall demonstrate experience in working with individuals in various mental health settings, to include acute inpatient settings, while providing the array of services as identified in this contract. **(20 Points)**
- C. The Offeror shall demonstrate experience and past performance delivering the array of services as identified in this contract between the hours of 7am to 7pm weekdays and availability on an emergency basis for the full array of services requested in this contract. **(20 Points)**
- D. The Offeror shall demonstrate experience and past performance delivering interpreting, verbal translation in the identified languages, and written translation from English into the identified languages that is culturally appropriate and accurate. **(15 Points)**
- E. The Offeror has mechanisms in place to track performance to include requests filled, requests returned, no-show and late arrivals, billing invoices and billing rate errors, complaints, responsiveness, resolution of problems, and reoccurrence of problems. **(15 Points)**

M.3.2 PRICE CRITERION (10 Points Maximum)

The price evaluation shall be objective. The Offeror with the lowest cost/price shall receive the maximum price points. All other proposals shall receive a proportionately lower total score. The following formula shall be used to determine each Offeror's evaluated cost/price score:

$$\text{Lowest price proposal} \text{-----} \times \text{weight} = \text{Evaluated price score}$$

Price of proposal being evaluated

M.3.3 PREFERENCE POINTS AWARDED PURSUANT TO SECTION M.5.2
(12 Points Maximum)

M.3.4 TOTAL POINTS (112 Points Maximum)

Total points shall be the cumulative total of the Offeror's technical criteria points, price criterion points and preference points, if any.

M.4 EVALUATION OF OPTION YEARS

M.4.1 The District shall evaluate Offers for award purposes by evaluating the total price for all option years as well as the base year. Evaluation of options shall not obligate the District to exercise them. The total District's requirements may change during the options years. Quantities to be awarded shall be determined at the time each option is exercised.
